Sashes

Our full colour HD printed promotional sashes are perfect for brand awareness, engagement and customer interaction, whether in-store or at public events. They are also popular for use at awards ceremonies, beauty pageants and sporting competitions.

Digital sashes are printed in full colour (CMYK) onto white silky soft polyester, right to the edge of the material, so there is no restriction to the print area.

The finished product not only feels comfortable, but also offers an exceptional print finish.

Available in either a narrow (promotional) or a wide (deluxe) width. This standard digitally printed sash has a narrower width of 100mm which is shaped to the hip.
